Contractor+ - Growing Stronger, Beyond the Seasonal Cycle

Our system connects proactive, honest, and reliable contractors with growers to ensure efficiency and trust. Unlike a simple job board, it's a community-based support system. Premium membership helps vet and verify users while still allowing direct contact.

This approach creates a secure, well-managed network where members have access to streamlined processes, trusted connections, and the tools necessary to succeed. Reviewing member profiles highlights the real value and support our system provides.

Being a contractor in agriculture often means being asset-rich but cash-flow inconsistent. At Broadacre Contracting, we're here to help you hold onto quality, strengthen your reputation, and create more consistency - not just through tenders, but through ongoing support for your business.

Core Benefits:

Verified & Trusted: Ability to back your account by Stripe verification, ensuring growers know precisely who they're dealing with. Every interaction reinforces your integrity.

Instant SMS Alerts: First in line, fully informed. Contractor+ members get instant job notifications before anyone else and can send growers more detail to stand out. No delays, no missed opportunities.

Increased Exposure: Paid members receive prime placement in internal and search results with added promotion through our social channels and monthly newsletters to help you find both clients and staff.

Partner Portal Access: Discounts and deals on parts, tools, insurance and more, whilst also receiving compounding entries into all of our giveaways. Save cash, maintain quality, and reinvest in your business.

What You Get Back (No Extra Cost):

- Free SEO-backed advertising & equipment listings that show in Google search.
- Personalised live support (avg. 15+ hours per contractor/year)
- Access to past tenders to guide smart investment decisions
- Free education hub (coming soon)
